"Janet is a class singer.

Her voice

is as pure

and warm

as a summer

breeze"

Kevin Jones — The Australian

Janet Seidel is one of Australia's most highly regarded popular-styled vocalists and pianists. She was raised on a dairy farm right in the heart of Mt Jagged, near Victor Harbor, and we saw her move to the east coast of Australia in 1984 to further her musical career.

Based in Sydney, Janet and her brother David have spent two decades performing in five-star cocktail lounges, interspersed with overseas trips in similar venues.

In recent years with the release of many successful CDs Janet performs mostly in a concert setting. Several of Janet's CDs have been released overseas, in Japan, Taiwan, Singapore and the UK. In Taiwan she was referred to as 'the singer from Australia with the perfect voice'!

She will return this summer to the Fleurieu Peninsula to spend quality time with her family. While here she will embrace our unique local venue at Alexandrina Cheese. Indeed, a rare opportunity for South Australian fans to hear Janet in this idyllic rural setting.

Janet Seidel's albums consistently receive glowing reviews both here and overseas. For these performances, her band consists of her talented brother on double bass: David Seidel, New Zealand born guitar maestro: Chuck Morgan, and the evening concert, will feature Jazz legend: Bob Jeffery on sax and flute.

Sunday will be an afternoon concert with the trio doing their hit show from the Adelaide Cabaret Festival 'We get Requests'.

The evening will be made more glamorous this year with Janet playing on a beautiful Grand Piano made available by Winston Music. Together the ensemble of the finest of Australia's jazz musicians make great music, performing classic jazz standards, arranged to suit Janet's intimate style.
